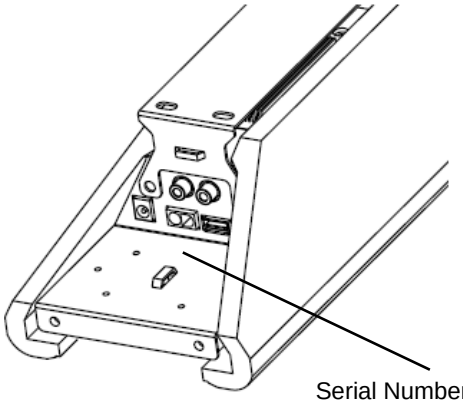
Service Parts Diagrams for the SBA USB Audio system for SMART Board 600 Series

Identifying Your Product Using the Serial Number **1**
Ordering Parts **1**
SBA Parts **2**

Identifying Your Product Using the Serial Number

To make sure that you have the correct service parts diagrams, you must verify the serial number of your SMART SBA USB Audio system. These parts diagrams are only for speakers with a 10 character serial number format. The serial number will be located on the back of the control speaker. An example of the serial number format is shown below.



08-J-047633-C

Unique Serial Number
