INSTALLER-INSPIRED
PROJECTOR MOUNTS

Chief's full line of projector mounts, lifts and accessories are backed by proven technologies and industry-leading customer service. Our exclusive features save time, and make sure your projects run smoothly.

Chief's projector solutions now feature a convenient pin-connection column system for a super sleek design and an even quicker installation. Threaded connection is also possible.

MICROZONE™ ADJUSTMENTS
Make projector registration fast and precise (including flush-mount installations).

CENTRIS® TECHNOLOGY
Enables effortless fingertip positioning. Self-adjusts to support different projector weights.

Q-LOCK™ QUICK RELEASE
Provides quick connect/disconnect of the projector for service and enhanced security with an integrated key and lock system.
