

V32AFL CONFERENCE WEBCAM

4K Image

Dual-Mic

90° Viewing Angle

Plug&Play

Auto-framing

Fill-in light

NUROUM V32AFL 4K smart webcam is equipped with 8MP HD Image Sensor, 90° wide angle lens. V32AFL provides same clear video images even in low-lighting conditions. Featuring built-in dual microphones and 3D noise suppression and area sound pickup are realized. With a fill-in light, the V32AFL makes you bright and clear in any condition. 5x digital zoom at 4K ensures smooth video with the highest level of detail.

Product features

Auto-focus

Fast auto focus webcam provides crystal image quality, easy to capture every detail.

4K image

The V32AFL features a 4K@30fps/1080P@60fps UHD camera. It presents peerless images and vivid colors.

AI Noise Suppression

Dual microphones with AI noise suppression filter out unwanted noise and automatically pick up your voice within a 5-meter radius, making your voice more natural and clear.

Flexible, Plug-and-Play Connectivity

Simply connect it to your computer with a USB cable and it's ready to use, no extra drivers required.

90° viewing angle

V32AFL webcam comes with 90° field of view which displays individual users and their workspace in a perfect visual frame.

Fill-in light

V32AFL fill-in light keeps your picture bright in any condition. Support three-level adjustable brightness.

- AI Noise-Suppression
- Max 4K@30fps / 1080P@60fps
- Auto-framing
- Auto-focus
- Plug&Play
- 90° viewing angle
- Fill-in light
- Effective pickup range: 5m

NUROUM V32AFL Datasheet

Contents	Technical Specifications	
Camera Features	Aperture	F2.0
	Sensor	1/2.8 inch, 8MP
