

- Vivitek Training Portal Quick Guide -

1. Go to <http://training.vivitek.eu/mainui> and Log-in /Create a new account to log-in.

The screenshot shows the login page of the Vivitek Training Portal. At the top, it says "Vivitek Training Portal". Below that, there is a "Login" section with a lock icon. It contains two input fields: "Email" and "Password". Below the fields is a green "Login" button. There are also two links: "Create a new account?" and "Forgot password?". At the bottom, there is a "Cookies disclaimer" section with a small "I agree" button.

2. Index page

- 1) Click "Open" then "Start the course."

The screenshot shows the index page for the NovoPRO course. At the top, it says "Vivitek Training Portal". Below that, there is a "NovoPRO" section with a small image of the device. The text describes the training and product presentation. There is a green "Open" button circled in red, with a red arrow pointing to it. Below the "Open" button, there is a "Content in this course" section with a green icon and the text "Introduction". A text box on the right contains the instruction: "Click 'Open' to start the course, it will change to 'Start the course' / 'Continue the course.' You can click on the training content such as Introduction, Key Features and Benefits and so on , once you clicked to start the training course."
