Specifications

SMART kapp iQ

SMART kapp iQ™ appliance for SMART Board® 6000/8000i-G5 series interactive flat panels
Overview

Using your SMART kapp iQ™ appliance and SMART Board 6000 or 8000i-G5 series interactive flat panel, you can capture notes and ideas, present information and collaborate with others in simple but powerful ways.

Connect a Bluetooth®-enabled mobile device to the interactive flat panel by scanning the Quick Response (QR) code on the screen. When you first connect your mobile device, you're directed to the Apple App Store or Google Play™ to download the SMART kapp® app. After installing the app, you can connect to your interactive flat panel and share notes with others. You can write notes in black or red ink using the provided pens and erase notes with the pens' erasers or with your palm or fist.

See smartkapp.com for more information on SMART kapp iQ.
